(i) Infrastructure funds available in multilaterally funded projects,

(ii) own incomes of Panchayats,

(iii) Funds recommended by the Finance Commission for the creation and maintenance of Databases,

(iv) Funds sourced from a fund to be created and managed by the Ministry of Panchayati Raj,

(v) MP and MLA Local Area Development Funds,

(vi) Purchases based on systems of annuity based purchases.

---

†Original notice of the question was received in Hindi.

It was also decided in the seventh Round Table that considering the present power situation in the country, while procuring hardware, special attention shall be paid to providing reliable and uninterrupted power supply to computer systems. Special emphasis shall be placed on renewable energy devices and systems that consume less energy.

A copy of the recommendations made during the seventh Round Table Conference is given in the Annexure. [*See* Appendix 204, Annexure No. 21]

A set of around 150 points for action were evolved during the Round Tables and adopted by consensus at the seventh Round Table in Jaipur. The Ministry has now initiated a process of visiting each of the States/UTs to review with the authorities concerned the progress in implementing the points for action contained in the compendium. It is expected that this will accelerate the pace of implementation of the provisions of Part IX, read with Article 243ZD, of the Constitution and bring about greater conformity, in both letter and spirit, to the Constitutional provisions of Panchayati Raj in all States/UTs concerned.
